Worcester County Public Schools strives to provide valuable learning experiences for our students. Service learning is an integral factor in our students' growth. COVID-19 has changed the way we do many things in our lives, including education. The safety of our students and community is our first priority. We want our students to safely have these experiences. However, there are risks involved in participating in activities that take place in public venues, such as community organizations and other service activities. Participating in service learning programs for the Presidential Service Award is voluntary and not required.

By signing below, you agree to the following:

- I will follow all current CDC COVID-19 Guidelines, as well as those implemented by the Governor of Maryland

- I will notify WCPS if I have been exposed to or have contracted COVID-19.
